Two-headed Squirrel 1.2

Design by Gerwin Sturm (2008/05/04)

**The famous two-headed Squirrel (the last of its kind)
from the Lucas Arts Adventure game
"Zak McKracken and the Alien Mindbenders".**

**If you feel bad because you killed the poor creature in
the game (instead of feeding it), here's your chance to
redeem yourself by folding one or more of those.**
